

Press Release

Bengaluru, March 19, 2019: MEDA GROUP, has won the 'BEST DEVELOPER -CONSTRUCTION QUALITY APARTMENTS 2018-19' at the recently held CommonFloor Real Estate Excellence Awards 2019. The award recognises MEDA's in-house capabilities of delivering high construction quality projects.

This year, the theme of CommonFloor Real Estate Excellence Awards 2019 was 'Real-Estate Outlook Watch for 2019'. These awards were given to recognise the outstanding performances of businesses, determining the on-ground company/individual performance, construction quality, and project status across India.

The chief guest of the ceremony was Sri. Manjunath Prasad, IAS – The Commissioner, BBMP. Guests of Honour included Sri. H. P. Sudam Das, State Information Commissioner and Sri. N. Krishna Raju, KPCC Treasurer, while the guest speaker at the awards was Sri. Srinivasan, CEO, SNN Group.

About CommonFloor

CommonFloor is an Indian online real estate portal founded in 2007 that combines property search, apartment management and vendor management. CommonFloor offers home seekers, sellers and real estate professionals an extensive online real estate ecosystem. This ecosystem provides exhaustive search options for both renting and buying property; easy to use analytics; apartment and locality reviews; a comprehensive and verified database of apartments across India and apartment community management tools.

About MEDA GROUP: From our humble beginnings, as a first generation company started in 2007, we have learnt that the pillars for a strong corporate foundation are transparency, ethics and values. At Meda Group our guiding light is to deliver best in class tenements on these basic tenets. There cannot be any compromise because owning a house is a matter of pride and a lifelong ambition. We believe that, through our commitment to the customer, we are forging communities of the future.
